1. Grant of License

Licensor hereby grants to Licensee a non-exclusive, non-transferable, non-sublicensable license to use, modify, and distribute the nx9-dns-server software ("Software") as part of a commercial, proprietary product without being subject to the requirements of the GNU General Public License v3.0 (GPL-3.0).

2. Scope of Use

This license permits closed-source use and distribution of the Software as part of the Licensee's proprietary offerings.

3. Restrictions

Licensee may not:

- Sublicense the Software to any third party.
- Use Licensor's trademarks or logos without written permission.
- Misrepresent the origin of the Software.

4. Fees

Commercial license fees and payment terms are subject to a separate pricing agreement and will be invoiced by Licensor.

5. Warranty and Liability

Unless otherwise agreed in writing, the Software is provided "AS IS", without warranty of any kind. Licensor shall not be liable for any damages arising from the use of the Software.

6. Term and Termination

This Agreement is effective upon execution by both parties and remains in force until terminated by either party with 30 days written notice.

7. Governing Law

This Agreement shall be governed by the laws of the Licensor's jurisdiction, unless otherwise agreed.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.
